REFERENCE: 12 DAY PRE-GENERAL REPORT (10/01/2020 - 10/14/2020)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 item(s):

1. Schedule F, supporting Line 25, discloses coordinated expenditures on behalf of "Jaime Harrison," "Gary Peters," "Cal Cunningham," "Sara Gideon," and "Barbara Bollier," Federal candidates which do not appear to be affiliated with your party.

Please be advised that the national committee of a political party, and a State committee of a political party, including any subordinate committee of a State committee, may each make coordinated party expenditures in connection with the general election campaign of a candidate for Federal office in that State who is affiliated with the party.

Please amend your report to provide further clarifying information regarding the coordinated expenditures disclosed on behalf of Federal candidates unaffiliated with your party. (11 CFR §109.32 (b)(1))

2. The limitation on making coordinated party expenditures on behalf of a Senate candidate in the State of Kansas for the 2020 General election is \$459,000. Your reports, however, disclose coordinated party expenditures made on behalf of "Roger W Marshall" and "Barbara Bollier" totaling \$630,288.64, which appear to exceed the limitations under 52 U.S.C. §30116(d) (see attached).
